Powerful Grease Removal with a Refreshing Scent

Indian kitchens are known for their rich, flavourful dishes but they also leave behind greasy utensils and stubborn food stains. Cleaning these can be a challenge, especially when dealing with dried-up food residue and strong odours from non-vegetarian dishes.

Dishwash Gel infused with the refreshing essence of **lime and mint**, makes dishwashing easier than ever. Its powerful formula cuts through grease while being gentle on hands, ensuring a hassle-free cleaning experience.

Key Features

Effective Grease Removal – Tackles oil and tough stains effortlessly.
Fresh Lime & Mint Fragrance – Leaves utensils smelling fresh and clean.
Removes Non-Veg Smell in 1 Wash – Eliminates strong food odours completely.
Gentle on Hands – Tough on grime, but mild on skin.
Long-Lasting Performance – A small amount goes a long way.
Residue-Free Cleaning – Rinses off easily, leaving utensils spotless.

How to Use:

Mix **one teaspoon** of Higard Dishwash Gel with a cup of water (**40ml**).
Dip your scrubber and squeeze to create a powerful lather.
Scrub and rinse for sparkling clean utensils.

With dishwash gel, your dishes are not just clean but also free from odours and grease, making your kitchen a fresher space.
